*A unique development offering panoramic sea views, tranquility, privacy  
but close to everything the Coast has to offer.*

# JASMIN

Benahavís Marbella municipality is a huge 145 km<sup>2</sup> of dramatic mountains, forests and countryside home to some of the most expensive villas in the world and the luxury enclaves of La Zagaleta and El Madroñal.

Finca de Jasmine is located in the lower slopes on the border of Marbella with amazing sea views only 5 minutes to the blue flagged beaches of the Costa del Sol.

ORGANIC ARCHITECTURE CONCEPT

Finca de Jasmine is a gated and secure community of villas with club house, spa and gym with verdant Mediterranean gardens and amazing panoramic sea views.

*Club House facilities.* ➔

## ...IN THE BEAUTIFUL GOLDEN TRIANGLE AREA OF BENAHAVIDS, MARBELLA AND ESTEPONA

Finca de Jasmine is located in the beautiful 'Golden Triangle' area of Benahavís, Marbella and Estepona, home to five star hotels and five star golf courses.

The traditional whitewashed Spanish pueblo of Benahavís is a lovely 10 minutes drive through the gorge and is packed with restaurants, bars, galleries and of course the facilities of small town such as post office, banks, schools and public / private sports.

Just 7 minutes to Puerto Banús, 15 minutes travelling East to Marbella and 20 minutes travelling West to Estepona the location offers easy access to some of the Costa del Sol's most popular destinations.

Benahavís is also the richest municipality in Andalucía and this ensures that the area is beautifully maintained and why it's a very popular destination for permanent living and second home owners.

## ■ A HAVEN OF NATURAL BEAUTY

Nature lovers will feel right at home here as there are many nature trails to explore, a large reservoir used by many species of wildlife and the perfect place to sit and watch the world go by. There are few places on the Costa del Sol that enjoy such uninterrupted views of the surrounding mountains, woodlands and rivers.

↑ Situated next to the best golf courses on the Costa del Sol.

## ■ VILLA LAVANDA C - 4 BEDROOMS + BASEMENT

This typology is distributed over 2 floors: ground floor and basement.

The ground floor of the building is at the level of access from the road or slightly lower. Access to the interior is through a porch. The residential interior is developed on a single floor. The ground floor features a main section where a foyer leads to the living area, including a spacious living room, dining room, kitchen, and a toilet.

Adjacent to this main section is the staircase that connects to the basement and the master

bedroom with an en-suite bathroom. On the other side, there is a small hallway that provides access to 2 bedrooms and 2 additional en-suite bathrooms.

The basement is divided into a laundry room, storage room, toilet, general storage, four secondary storage rooms, and 3 bathrooms.

The exterior of the house includes a standalone swimming pool, spacious pergola-covered and uncovered terrace areas, and a technical cabinet area with access from the kitchen.
